JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

10. All milk shall be strained through cloth or wire strainers and cooled to a temperature of 55 to 60° F., and if stored in the milk room for longer than three hours it shall be stored in a cooler or refrigerator.

11. If any person who is engaged in the production, transportation, delivery, or distribution of milk, or any member of the family, or any of the employees of such person, or any of their immediate associates, or any person residing in any building where milk is stored, sold, or distributed, shall contract any contagious or infectious disease, such person shall immediately notify the city health officer thereof.

12. No person having any infectious disease, or having been recently exposed to such disease, shall milk or handle any utensil used in handling milk intended for sale until in the opinion of the city health officer all danger of communicating such disease shall have passed.

13. No bottle, can, or receptacle used for the reception or storage of milk shall be removed from a private house, apartment, or tenement where any person has an infectious disease within such house, apartment, or tenement without the approval of the city health officer of the city of Dallas.

14. It shall be unlawful for any person to take milk from any cow which has a calf less than 9 days old and sell or offer for sale such milk.

15. All privies, dry closets, cesspools, or urinals located on any premises on which cows are kept for dairy purposes shall be thoroughly screened with not coarser than 14-mesh wire screen.

16. That it shall be unlawful for any person, either by himself or agent, to sell or expose for sale or exchange any unwholesome, watered, adulterated, or impure milk or swill milk or colestrum, or milk from cows kept upon garbage, swill, or any other substance in a state of putrefaction, or other deleterious substances, or from cows kept in connection with any family in which there are infectious diseases, or from sick or diseased cows: *Provided*, "Skim milk" may be sold if on the can or package from which such milk is sold the words "Skim milk" are distinctly painted in letters not less than 1 inch in length.

SEC. 2. That should any person who owns or maintains or who has charge of any dairy, or any person who shall be employed at any dairy, or any person employed on any dairy wagon, or any other person who shall violate any of the terms of this ordinance, shall upon conviction, be fined in any sum not exceeding \$200.

SEC. 3. That all ordinances and parts of ordinances in conflict with this ordinance be, and the same are hereby, repealed.

SEC. 4. Whereas, on account of the unsanitary manner in which dairies are being kept, and the manner in which the cows thereon are permitted to be fed and kept, greatly affects the purity of the milk sold to the inhabitants of the city of Dallas from such dairies, and thereby creates an emergency and an urgency for the immediate preservation of the public health, that this ordinance be in effect from and after its passage, as in the charter in such cases made and provided; and it is accordingly so ordained that this ordinance be, and the same is hereby, declared to be in effect, in accordance with the charter in such cases made and provided.

[Ordinance adopted Oct. 16, 1911.]

#### MANSFIELD, OHIO.

##### MILK, CREAM, AND ICE CREAM—BACTERIAL CONTENT, INSPECTION, AND SALE.

SEC. 35 (a) The word "person" refers to any and all individuals, owners, agents, corporations, officers, and other parties who may offer milk, cream, or ice cream for sale.

(b) No person shall bring into this city for sale or shall sell or offer for sale any milk or cream containing bacteria of any kind, more than 500,000 per cubic centimeter.

(c) No person shall bring into this city for sale or shall sell or offer for sale any ice cream containing bacteria of any kind, more than 1,500,000 per cubic centimeter.

(d) The dairy and food inspector shall take sample of milk, cream, and ice cream from every person who sells or offers for sale any milk, cream, or ice cream, and shall subject such samples to suitable tests and analyses.

(e) The board of health shall revoke the permit of any person who neglects or refuses to comply with the regulations of the board of health relating to milk, cream, or ice cream; and the sale of the same must stop upon receipt of written notice from the dairy and food inspector, who is hereby empowered to order the discontinuance of sale of milk, cream, or ice cream by any person, pending investigation and action of the board of health.

(f) The foregoing are all declared to be orders and regulations of the board of health made pursuant to the provisions of the laws of the State of Ohio, and whoever violates, or obstructs, or interferes with the execution of any of the foregoing orders, or willfully,

or illegally omits to obey such orders, shall be fined any sum not exceeding \$100, or imprisoned for any time not exceeding 90 days or both, but no person shall be imprisoned for any such violation or failure to obey any of the foregoing orders and regulations for the first offense and the prosecution shall always be as and for a first offense, unless the affidavit upon which the prosecution is instituted contains the allegation that the offense is a second or repeated offense, all of which is in accordance with section 4414 of the General Code of Ohio, in such case made and provided.

(g) That section 35 of subdivision 3 of the regulations of the board of health in the codified ordinances of the city of Mansfield, Ohio, be amended by adding the foregoing subsections.

(h) This regulation shall take effect and be in force from and after the earliest period allowed by law.

[Regulation, board of health, adopted July 7, 1911.]

#### NEWPORT KY.

##### MILK AND MILK PRODUCTS—PRODUCTION, CARE, AND SALE.

SECTION 1. The board of health of the city of Newport or its agents may enter at any time, and no person shall hinder or prevent them from so entering, any place in the city of Newport where milk or milk products from cows or dairies is kept or held for sale for human food.

SEC. 2. It shall be unlawful for any person, firm, or corporation to bring into or receive into the city of Newport for sale, or offer for sale therein, or have on hand for purpose of sale, any milk or cream or products from cows or dairies, without first having obtained from the board of health of the city of Newport a permit to do so, said permit to be obtained as hereinafter provided.

SEC. 3. To procure the permit provided for in section 2 hereof, the applicant therefor shall file with the board of health of the city of Newport a written statement setting forth his residence and place of business, the number of cows owned by him, the name and address of any and all persons from whom he is purchasing or obtaining milk, cream, buttermilk, sour milk, butter, or other dairy product, and the quantity of such products sold by him daily. It shall be the duty of the holder of such permit to notify the board of health in writing of any change in the name or address of the person or persons from whom he obtained his supply of milk, cream, buttermilk, sour milk, or other dairy product.

SEC. 4. Upon the board of health of the city of Newport being satisfied that the place or places where the milk or milk products are to be kept or offered for sale, or from which they are obtained, are sanitary, or that the cows from which said milk is obtained are free from disease and kept in a sanitary place and manner, said board of health shall grant a permit to the applicant conditioned upon his compliance with the terms of this ordinance and the rules and regulations of the State board of health and the board of health of the city of Newport. Said permit may be revoked at any time by the board of health of Newport, Ky., should the holder thereof fail or refuse to comply with the provision of the ordinance.

SEC. 5. No person or persons shall keep a cow in the city of Newport without a permit from the board of health.

SEC. 6. All permits shall be renewed during the month of May of each year to be valid. Renewals of permits may be granted at the discretion of said board of health in the same manner as the original permits are granted.

SEC. 7. There shall be no charge for the permits provided for in sections 2 and 5 hereof, but the applicant therefor must agree to furnish free of charge such samples of milk or products from cows or dairies as may be necessary for the purpose of analysis. The applicant must further agree to allow the inspection by said board or its agents of his premises, cows, dairy utensils, or anything pertaining to the business of operating a dairy or milk depot at all times.

SEC. 8. It shall be unlawful for any person to sell, offer for sale, or have on hand for sale in this city any milk or butter, who fails or neglects by himself or agents to comply with all the terms of this ordinance, or who sells or offers for sale, or has on hand for sale, products from cows or dairies which are not maintained or kept as required by the terms of this ordinance.

SEC. 9. No building shall be used for stabling milk cows which is not well lighted, ventilated, drained, and constructed in such manner as to render same sanitary.

SEC. 10. All stalls or places where the cows are milked shall be provided with clean floors. The accumulation of urine, manure, stagnant water, or any other filth shall not be permitted in the stable or barnyard or other place where milk cows are kept, the products from which are for sale within the city of Newport.
